Dear Jeff and Mark,

I wanted to write you this letter to say thank you for the excellent job that you and your crew did on building our house. I was told that building a house can be a very trying and stressful event but that was not the case. I believe that your company with it's skilled tradesman and highly effective office personnel made it a very pleasurable and exciting experience. Hopefully in the not so distant future we will be able to work with you again. Best of luck and Thank you again

Sincerely Yours,

Peter Spoor
