

Dear Jeff, Mark, Carol, Scott, Brian & Brian, John
and all of your crew.

Thank you for the nice note and
Thank you card. Please feel welcome to
show our house to any perspective clients.
I think our house is a good example
of the quality you strive for in your
work. Your crew is always professional
and courteous and they take great pride
in their workmanship. We can't say
enough good things about Scott. Scott
is fantastic and a true perfectionist.
The same can be said for Brian, John and
all the guys working with them.

Thank you again for doing such a great
job on our house. We love it. Again, please
feel welcome to show our house. We are always
happy to share our ideas and creations with
others.

Keep in touch!

Ray & Sue
